MEMORANDUM FOR THE RECORD

SUBJECT : No-Escort Badges for Community  
Related Activities

REFERENCE : DDCI-IC-73-1245 (Attached)

1. The purpose of this memorandum is to (1) document that the reference has been overtaken by events and (2) indicate decisions on this subject made at two meetings held with the undersigned on 2 November. The first meeting involved [ ] and the second involved [ ]. As a result of these meetings, it was decided that the IC's concerns over the badging of its non-Staff/non-Detailee (ad hoc) personnel could best be served by avoiding a new special badge and relying instead on the already existent VNE badge.

2. By the close of business on 2 November, both [ ] were indicating to the writer that they would process this category of personnel (non-Staff/non-Detailee) for VNE badges. Both were aware that, with appropriate markings, the VNE badge provided excellent mobility and flexibility for its holder. [ ] [ ] were counseled to request VNE's with [ ] (to allow for escort privileges); with the indicator [ ] (to exempt the holder from having his visits counted via computer tracking); and with the indicator [ ] (to allow the badge holder to enter the buildings 24 hours a day, 7 days a week).

STAT

3. In a subsequent conversation with [ ] on 5 November, he indicated that he would continue to discuss with [ ] the advantages that might accrue from having the IC Detailees from other agencies and IC Staff employees from CIA given staff badges that
